

Sheppard, Morgan & Schwaab, Inc.

CIVIL ENGINEERS AND LAND SURVEYORS

Civil Engineer

Sheppard, Morgan & Schwaab, Inc. (SMS) is a civil engineering and land surveying company located in Alton, Illinois. SMS has been in business since 1892. We pride ourselves on our history and value that we have brought to surrounding communities through four generations of our family-owned business. SMS provides services in both Illinois and Missouri for our private, public, and municipal clients.

We have an immediate opening for a Civil Engineer to join our firm. This position requires working with fellow engineers and technical staff to prepare economical and efficient designs to meet our client's needs. Projects will primarily include design of federally funded local roads and streets projects for state bid lettings.

The ideal candidate will possess the following attributes:

- Bachelor's Degree in Civil Engineering with a focus on transportation
- Illinois P.E. registration
- Working knowledge of AutoCAD Civil 3D and other design software
- Strong technical skills
- Previous transportation experience

Typical responsibilities will include:

- Preparation of project development reports
- Preparation of plans, special provisions, and estimates
- Design of ADA compliant sidewalk curb ramps

SMS Offers:

- Competitive salary
- Major medical, dental and vision insurance
- Flexible Spending Account
- Health Savings Account
- 401K and profit-sharing
- Bonus program
- Paid holidays and paid time off
- Professional development

Building on more than a century of excellence, SMS Engineers pledges to deliver exceptional civil engineering and land surveying services, surpassing client expectations and forming long-term partnerships.
